PROFESSIONAL SUMMARY

Operations-first Content Syndication & Social Media Distribution Specialist with 3+ years of experience managing high-volume, multi-channel digital publishing engines (150–200+ assets/month). Purpose-built for "Process over Personality": dedicated to operating behind the scenes as the execution engine that powers founders and creative leaders. Obsessive about technical accuracy, platform-specific aspect ratios (9:16, 1:1, 16:9), character limits, hashtag taxonomy, and meticulous quality control (QC). Expert in repurposing core creative pillars (long-form video & scripts into structured LinkedIn articles, carousel graphics, Notion resources, and vertical Short/Reel clips) with zero friction and 100% on-time scheduling.

CORE COMPETENCIES

Content Syndication & Repurposing: Format Transformation (YT script → structured article; LinkedIn post → Notion resource → Reel/Short script), Multi-Format Asset Slicing, Copy Editing, Hook Optimization.

Master Scheduling & Distribution: High-Volume Content Calendar Management (200+ posts/mo), Metricool, Buffer, Hootsuite, Later, Sprout Social, Flawless On-Time Publishing across YouTube, LinkedIn, Instagram, TikTok, and X.

Platform Nuances & QC Checklist: Aspect Ratio Rigor (9:16 vertical, 1:1 square, 16:9 landscape), Character/Headline Limits, Tagging, First-Comment Links, Caption Formatting, Carousel Pagination, Sound/Audio sync check.

Tools & Technical Stack: Canva Pro, Notion (Content Databases/Asset Libraries), Asana, Trello, CapCut, Adobe Premiere Pro, Google Workspace, Generative AI for workflow acceleration (Claude, ChatGPT).

PROFESSIONAL EXPERIENCE & CONTENT OPERATIONS

Content Operations Lead & Digital Marketing Manager
Morpho Cafe and Studio | Remote / Hybrid

2024 – Present

- High-Volume Master Schedule:** Built and maintained a rigorous content distribution calendar managing 120+ monthly creative assets across Instagram, Facebook, and messaging channels with 100% on-time delivery.
- Content Repurposing Pipeline:** Transformed long-form founder updates and promotional messages into multi-platform formats: bite-sized Reels/Stories, carousel graphics in Canva, and announcement articles.
- Systems & Operational Discipline:** Developed standard operating procedures (SOPs) and organized a cloud asset library categorized by content pillar, asset format, and publishing status, reducing asset retrieval time to seconds.
- Canva & Execution QC:** Performed final visual polish and strict quality checks on all outgoing typography, branding colors, aspect ratios, and tagging before public release.

Freelance Content Syndication & Video/Graphics Specialist
International Agency & E-Commerce Clients (Canada, UAE, Italy) | 100% Remote

2023 – Present

- Multi-Channel Format Conversion:** Repurposed full-length interviews and event reportage into 60-second high-impact social clips, branded carousel slides, and quote cards for executive clients (UAE & Italy).
- Strict Brandbook Adherence:** Delivered visual and video assets for prominent retail brands (AHA Sparkling Water, Ruffles) conforming strictly to Art Director brand guides, pixel-perfect dimensions, and formatting guidelines.
- Asynchronous Remote Execution:** Managed tasks independently across Asana and Google Drive under tight global deadlines, conducting proactive end-of-day handoffs with zero missed deadlines.
- Fast Turnaround & Revisions:** Welcomed rapid iterative feedback from creative directors with thick skin, refining captions, pacing, and crop factors until 100% technical and aesthetic criteria were satisfied.

AI Content Repurposing & Digital Asset Specialist
Independent Digital Media Projects | Remote

2023 – 2024

- Script-to-Article Syndication:** Utilized advanced AI prompting (Claude/ChatGPT) to convert complex spoken transcripts and educational scripts into structured, publication-ready LinkedIn articles and Notion resource guides.
- Asset Taxonomy & Library Management:** Tagged, filed, and archived 500+ raw and edited creative assets into searchable Notion tables, ensuring easy one-click retrieval for future repurposing cycles.
